

Story 0Y. Delete

I want to be able to delete users

Wireframes:

Delete user

Are you sure you want to delete user Jan Janssens (userid 4, Team Alpha, Role Employee)?

Acceptance Criteria:

- I should be able to navigate to a confirmation page where I can decide whether to delete the user or not
- The confirmation page should show the name, first name, userid, team and role of the selected user.
- The selected user should be deleted upon pressing yes.
